

## OM SATNAM SAKHI

I was looking forward for the day 21 of July of 2008, on that day the plane of our Guru Swami Bhagat Prakashji and Sant Mandli landed at Málaga's airport. Although I live in Las Palmas, but I knew that in short time They would be with us, in our city, and we could have "darshan". Swamiji, and His Sant Mandli would arrive here on the 27th, we went to the airport, it was a lot of people to receive of all of them. It was all so nice and so different, we all were so happy, a lot of happiness keeping in our hearts, waiting for this day to live beautiful moments with our Satguru, here in our city!. The welcome was very nice, already in His face showed so much goodness, They were coming to give Peace and Love.

From airport we all went to Bhau Khushi and Auntie Bindu's residence. It was a lot of people, therefore it was difficult to have a darshan of my Guru, later I could

approach and ask for "asseesa", blessings for the family as well. I felt that as always, he came to bring Peace and Love for all of us, in this short journey, 4 days in Las Palmas and 4 days in South. In those days, we could fill the emptiness we have felt with the pass of the time.

Where Swamiji and the Sant Mandli were calling to visit their homes, They were leaving in all the houses the "aura" of Love, Peace and Kindness. Everyone of us were delighted with His Presence, with His "Darshan" we all talk about the same. That was how I felt.

I wish with all my heart that They come very soon, I hope so, next year They can give us so marvelous surprise to come back, in these fortunate land.

I want to add, as I can't close this writing without mentioning Infecar, brave for that blessed place! To me and surely for many more, it had been like a Mini Melo. I was impressed with joy to see the

*"Jaluss" (procession), and Swamiji walking with us.*

*I don't want to extend more, many congratulations to all the*

*organizers, in and out of the curtain, always with the blessings of our Acharya Satguru Swami Jeonramji Maharaj.*

ALL MY RESPECT TOWARDS HIM  
I BOW TO HIS SACRED FEET.
