

COLLABORATIONS – On Friday 3rd October 2008

Tenerife's Association, "Prem Prakash Mandal", collaborates with the needy.

SANTA CRUZ DE TENERIFE, SPAIN- Last Saturday 27th September, disciples who came to the temple at Villalba Hervás, no. 9, jointly decided to start donating a monthly batch of food to cover the basic needs of the helpless poor people that live and eat in our streets.

Our Santa Cruz de Tenerife's Association, with the blessings of Satguru Maharaj, has promised to do one's bit at least once a month serving those people who really need their daily food. This time products like legumes, tomato tins, mushroom tins...has been provided. Next time with the humbly request of the sisters that take care of the soup kitchen where these people come, toiletries like soaps, colognes and wash gel will be donated because there are many helpless who come daily to bath too.

The soup kitchen "Obra Social La Milagrosa" that has received this first donation, it's managed by "Las Hijas de la Caridad", and it's located in the centrally situated Calle de La Noria of Santa Cruz de Tenerife. According to the data provided, hundred of needy people come daily to wash and cover the basic food needs.

We would like to transmit that the sisters who take care of this center are receptive to any tinned or packed product *except rice*, toiletries, and candies. Any person can take their donation, but if you want the "Tenerife's Association" to take it to the needy, you should bring your donation to our temple the last Saturday of every month.
