SATGURU SWAMI HARIDASRAMJI MAHARAJ: GUNO KI KHANI

If you remember last year we narrated a few out of the many qualities of our dearest Satguru Swami Haridasramji Maharaj on the Occasion of Gurumaharaj's Birthday...Again we reiterate we just don't have a minuscule of strength to understand the greatness of our Satguru so writing about all his greatness would be impossible. This year would like to stress on one of the qualities of Sai: **GURU BHAKTI...**

**SATGURU TEONRAM SAHIB MEIN ATAL RAKHA VISHWAS
SATGURU SARVANAND KI SEVA TAN MAN SE KINI**

Swamiji had immense and unwavering faith in our Acharya! He served Sai Sarvanand with full love and devotion!!!

The rewards of which we can see today....at every corner of the world in Satguru Swami Teonramji Maharaj's, Prem Prakash Temple, Sai Haridasramji Maharaj's Birthday is being celebrated. Think about the grandness of our Acharya how much he loves his devotee who surrendered to him completely

SURRENDER! FAITH! DEVOTION!

Can we seek Sai's blessing for atleast one of these jewels???

DHAN GURU TEONRAM!!!!DHAN GURU HARIDASRAM!!!
